Special Meetings Held--Speculation as to Next Papal Consistory--Great Missionary Collection.

SAN FRANCISCO, Oct. 13--An important resolution to be presented to the General Convention of the Episcopal Church will be drawn up by the committee of the state of church relative to the disagreements between employers and employees. After a brief preamble stating that it is the divine mission of the church to be a mediator, the resolution continues:

"Resolved, That a joint commission of both houses, to consist of three bishops, three presbyters and three laymen, be appointed (the bishops in such manner as the House of Bishops shall determine, and the other members by the president of this house, practically as a standing commission upon the relations of capital and labor, whose duty it shall be: First, to study carefully the aims and purposes of the labor organizations of our country; second, in particular, to investigate the cause of such industrial disturbances as may arise; and, third, to hold themselves in readiness to act as arbitrators, should their services be desired, between the men and their employers, with a view to bring about mutual conciliation and harmony in the spirit of the Prince of Peace."

Resolved, That the said commission shall make reports to its proceedings to the General Convention.

Resolved, That it is desirable that the above-named commission should be named by reappointment every three years."

MANY ELOQUENT SERMONS.

Prelates of Episcopal Church Preach in San Francisco Pulpits.

SAN FRANCISCO, Oct. 13--As on last Sunday, the pulpits of all the Episcopal churches in this city and adjacent places were to-day filled by eminent divines who are here as delegates to the triennial convention of the church. The congregations everywhere were large and included many members of other denominations.

At the Church of the Advent high mass was celebrated at 11 o'clock by the Rev. F. W. Taylor, bishop coadjutor of Quincy, Ill., who wore the pontifical vestments, mitre and chasuble of cloth of gold. The sermon was preached by the Rev. Samuel Hart, of Connecticut, secretary of the House of Bishops. His subject was "The Church--The Body of Christ," his text being taken from Corinthians xii, 12. He urged the importance of recognizing the fact that all members of the church are members of the body, and that each has a proper function. In order to do the best work for Christ there should be perfect unity and harmony of action. To-night Bishop Gallor, of Tennessee, preached at the Church of the Advent, the celebrant being the Rt. Rev. W. W. Taylor, bishop coadjutor of Fond du Lac, Wis.

At Trinity Church the morning sermon was preached by Bishop Bates of Washington. In the afternoon there was a special meeting, considering the subject of "Christian Unity." The Rev. Dr. E. J. Connelley, of New York, gave the address, and the Rev. Dr. W. W. Taylor, of Quincy, Ill., presided.

At the Church of the Holy Trinity, Brooklyn, the Rev. Samuel D. McColl, of Pennsylvania, At the evening service the Rev. Alexander Mackay Smith, of St. John's Church, Washington, preached the sermon.

At Grace Church the morning sermon was preached by Bishop Doane, of Albany, the evening sermon by the Rev. Dr. W. W. Taylor, of Quincy, Ill.

A sermon in behalf of the Brotherhood of St. Andrew was preached at the Church in the morning by Bishop Hall, of Vermont. In the evening an interesting missionary service was conducted here, the speakers being Bishops Leonard of Utah, Wells of Spokane, and Doane of Albany. Bishop Holly, of Haiti, presided in the first African Methodist Episcopal church.

This afternoon a large and interesting meeting in St. Paul's church, Oakland, Business sessions of the convention will be resumed to-morrow.

NEXT PAPAL CONSISTORY.

It is Expected to Be Held in February--Martinielli's Future.

WASHINGTON, Oct. 13--In well-informed Catholic circles here it is believed that the next consistory of the Catholic Church at Rome will be held in February, when Pope Leo XIII attains the twenty-fifth year of his pontificate. While there have been no definite advice to this effect, it is thought likely that this assembly will open the jubilee to signalize the closing of the quarter-century of Pope Leo's reign, and that he will take advantage of it to deliver an allocution, giving a strong position on the question of assassination among other things.

Cardinal Martinielli will remain in office here until about time for the consistory. No authority has yet reached here regarding the successorship. In view of his past experience it is quite likely that Cardinal Martinielli will be assigned to Rome to the congregations of the Holy Office, known as the "Inquisition," which watches the morals and discipline of the church, and the Propaganda, which deals with the propagation of the faith.

Cardinal Martinielli and two of the three of the newly created cardinals, as well as, possibly, several cardinals and bishops that may meantime be created, will receive the red hat at the public session of the coming consistory.

No More American Cardinals.

BALTIMORE, Oct. 12--The Sun today prints the following: "The Sun has been for some time in possession of information gained from one in close touch with the Vatican that no new cardinals will be created at the coming Consistory, but if any names are presented no prelate in the United States will be honored. This information is in harmony with what is said

to be the intention of Pope Leo, that no other American cardinal will be created as long as Cardinal Gibbons lives."

DAY GIVEN TO WORSHIP.

Lutherans Fill All the Pulpits at Lima. 0-Special Services.

LIMA, Oct. 13--There was a suspension of business to-day by the Grand Council of the Lutheran Church of North America, assembled here in biennial session, and the day was devoted to divine worship at the different churches of all denominations, whose pulpits were extended to and occupied by the visitors. At St. Paul's Lutheran Church there were extra services both morning and evening. At the morning service the Rev. Joseph A. Selva, former president of the General Council, of Philadelphia, delivered the sermon. There was a collection for the Lutheran League at 6 o'clock this evening. Addresses were made by the Rev. Messrs. Charles H. Frey, of Philadelphia, George H. Schurz, Jr., an assistant literary secretary of the Lutheran League, and W. K. Frick, of Milwaukee. The evening church services consisted of an elaborate musical programme and addresses by the following: "Our Sunday Literature," Rev. R. H. Schumacher, of Lebanon, Pa.; "Lutheran Young People's Societies," the Rev. Alfred Ramsey, Minneapolis; "Our Unfinished Multitude," Prof. George G. Gehring, Chicago; "Lutheran Church Music and Organists," the Rev. Adolph Speath, Philadelphia; "Lutheran Loyalty to God's Word," the Rev. David H. Giesinger, Pittsburgh.

To-morrow the work will be taken up at the report of the committee on foreign missions, where it left off at adjournment last night.

Congregational Council's Sunday.

PORTLAND, Me., Oct. 13--The annual session of the National Congregational Council was opened at the Standard Church this morning by William J. Tucker, D. D., LL. D., president of Dartmouth College. The Rev. Dr. J. L. Jenkins, of the Home Church, conducted the exercises, and prayer was offered by the Rev. Dr. S. M. Newman, of Washington, D. C. Forty-nine Congregational preachers filled assignments in the churches of the city to-day. There was a general children's meeting this afternoon, and in the evening special services were held at several Congregational churches.

Great Sum Raised for Missions.

NEW YORK, Oct. 13--As a result of the annual missionary sermon preached to-day in the Gospel Tabernacle by Dr. A. B. Simpson, the missionary fund solicitor, the sum of \$60,000 was collected during the day. This is an increase of \$20,000 over the collections of last year on a similar occasion. To-day's meeting was the last of the eleven missions of the year, and the whole amount thus contributed for missionary purposes is nearly \$75,000.

It is reported that Spencer Eddy, secretary of the United States legation in Constantinople, received to-day a dispatch from Washington advising him that a sum of money which should suffice for the ransom would be forthcoming.

The text of Ruter's address is ambiguous. The Daily Telegraph has the following dispatch from Sofia, dated Sunday:

"United States Consul General Dickinson has received no instructions to pay the ransom. He is afraid a dangerous precedent would be created by payment. As he is now fully convinced that the brigands were merely extortionists, acting under the instigation of late members of the Macedonian Committee, he has made strong representations to the Bulgarian government, asking the arrest of these instigators. Should this be done, he says, Miss Stone would doubtless be released on payment of a moderate indemnity for moral assurances of freedom for her captors. Some Macedonians have already been arrested here."

M. Zinovief, Russian ambassador to Turkey, had an audience with the Sultan on Friday. The conversation dealt chiefly with the deplorable situation in the Mush district and the cause among the citizens here, Armenians. The ambassador insisted that Turkey should punish the guilty parties.

French Vice Consul Attacked.

PARIS, Oct. 13--The French vice consul in Monastir, European Turkey, was recently attacked by Turkish soldiers, according to a dispatch from Salonika. His assailants were arrested and the military commandant apologized for the outrage.

SMALL RIOT AT GIJON.

Gendarmes and a Mob Clash in Front of a Church.

GIJON, Spain, Oct. 13--While a procession was issuing from the Church of St. Pierre this afternoon it was hooted by the crowd looking on. The gendarmes charged the crowd, which responded by throwing stones.

Several persons were injured in the melee, and Senor Dubizaketa, who was carrying a revolver, was arrested. He is a well-known Carlist deputy, and the crowd shouted "Viva Carlos."

Weyler Wants More Money.

MADRID, Oct. 13--In the forthcoming budget, according to El Imparcial, General Weyler, minister of war, will ask an increase of expenditure exceeding 2,000,000 for the payment of pensions and military allowances in connection with the war with the United States.

EUROPEAN FINANCIAL OUTLOOK.

Temporary Ease in England Does Not Obscure Real Situation.

LONDON, Oct. 13--The outlook for the money market is now fairly easy. The rate of discount, outside the Bank of England, last week did not go above 2 per cent; and settling day, thanks to generous government dividend disbursements, passed without a strain. There is a strong probability, however, that Paris will soon demand a considerable portion of the gold of which London has had the use for some time. The Stock Exchange closed with a rally during the last three days of the week, after a decidedly unpromising opening. The market was followed by a week of future shows but small cause for optimism. The Statist, in the course of a long article on the trade outlook, takes the government severely to task for mismanagement and for not following the sounder turn of events.
